

A decorative border of brown ink swirls and floral motifs frames the text on a light brown, textured paper background.

Dear Truth, Dear One

*Let us see One where there is two
Where there is pain let us see One
Where there is fear may we see One
Where there is stress and anxiety may we see One
Where there is disharmony may we see One
Where there is miss-trust may we see One
Where there is loneliness may we see One
Where there is love may we see One
Where there is hate may we see One
Where there is understanding may we see One
Where there is miss-understanding may we see One
May we see One, Only One, in that,
may we keep quiet because there is nothing to see,
nothing to hear, nothing to say, nothing to do
and we become a flute like Krishna's flute where
beautiful songs, beautiful music and beautiful words
would flow out of us to that One*

Amen
