Rough English translation:

Sathyam, You delight me with Your presence,
My heart is overjoyed like a butterfly near a flower.

Your name takes me to ecstasy,
My eyes see only You beyond the veil of secrets,

Your name is the only word on my lips,
Every cell in my body longs for You.

OM

Sathyam, my master x4
Sathyam, my master my leader x2
Sathyam, my beloved my guide x2

Take my hand - Take my hand - Take my hand x3
